**DEFICIENCY PAYMENT UNDER 37 C.F.R. § 1.28**

Sir:

Further to previous fee payments made in the captioned Application, Patentee-Applicant respectfully submits the following deficiency payments in accordance with 37 C.F.R. § 1.28:

1. a \$625.00 deficiency amount toward the fee due for filing a U.S. Design Patent Application, which amount reflects the difference between the \$1,000.00 filing, search and examination fee that would be due if filed presently and the \$375.00 filing fee originally submitted by Applicant on July 16, 2003;

2. a \$510.00 deficiency amount toward the fee due for filing a Petition For Three Month Extension that accompanied an Amendment submitted on May 3, 2005 in response to a First Office Action, which amount represents the difference between the \$1,020.00 fee that would be due if filed currently and the \$510.00 fee originally paid by Applicant; and

2. a \$60.00 deficiency amount toward the fee due for filing a Petition For One Month Extension that accompanied an Amendment And Response To Notice Of Non-Compliant Amendment submitted July 18, 2005, which amount represents the difference between the \$120.00 fee that would be due if filed currently and the \$60.00 fee originally paid by Applicant;

4. a \$225.00 deficiency amount toward the fee due for filing a Petition For Two Month Extension that accompanied an Amendment After Final Action dated February 14, 2006, which amount represents the difference between the \$450.00 fee that would be due if filed currently and the \$225.00 fee originally paid by Applicant;

5. a \$700.00 deficiency amount toward the Patent Issue and Publication fee submitted on June 23, 2006, which amount reflects the difference between the \$1,700.00 fee that would be due if filed as of this date and the \$1,000.00 fee originally paid by Applicant.

Patentee-Applicant states that such previous payments, which were erroneously based on small entity status, were made without deceptive intent. A Credit Card Payment Form in the amount of \$2,120.00 is attached.

Respectfully submitted,

Dated: September 29, 2007
